

# Become a Sponsor

## Support our mission by becoming a sponsor

By sponsoring Oikos Solar, you are not only investing in the future of renewable energy but also helping to accelerate the energy transition in Switzerland. Your support enables us to connect roof owners, investors, and installation companies, making solar power more accessible and widespread. Additionally, enjoy various benefits as a sponsor.

### Gold Sponsor

Join us as a Gold Sponsor and be a driving force behind our mission to revolutionize solar energy adoption! As a Gold Sponsor, you'll enjoy unparalleled visibility with prominent logo placement at events, permanent mention in our social media bio and the opportunity to have a project named in your honor. Plus, gain access to a network of talented and motivated individuals passionate about renewable energy. Make a lasting impact and lead the charge towards a sustainable future with us!

### Silver Sponsor

Elevate your brand and support a sustainable future by becoming a Silver Sponsor! Gain recognition on our sponsor site and receive regular updates on our project progress and impact. Join us at our exclusive sponsors/investors networking Apéro and connect with like-minded individuals committed to renewable energy. With a one-time post on our social media channels, we will highlight your support as new sponsors, amplifying your impact and reaching a wider audience. Make a difference today as a Silver Sponsor!

### Bronze Sponsor

Make a meaningful contribution to our cause as a Bronze Sponsor! Enjoy the benefits of being listed on our sponsor site and receiving regular updates on our project progress and impact. Join us in making solar energy accessible to all as a Bronze Sponsor!
